# MORELLO™

METAL & GLASS WALL

Morello™ Glass and Metal Mosaics from American Olean feature eclectic mosaic blends that exude modern character. Morello's multiple colors and finishes were cultivated to suit every design scheme. An on-trend palette reflects today's sophisticated tastes while the mix of glass and extruded aluminum provide both harmony and contrast.

## PERFORMANCE CHARACTERISTICS

	MOISTURE ABSORPTION	BREAKING STRENGTH	MOHS	CHEMICAL RESISTANCE
Mosaic	< 0.5%	>100 lbs.	4.0	Resistant

## APPLICATIONS

	SUITABLE
Walls/Backsplashes	<input checked="" type="radio"/>
Countertops	<input type="radio"/>
Pool Linings	<input type="radio"/>

Not recommended for pool use.

Suitable for use in wet areas such as shower walls.

Suitable for exterior applications in freezing and non-freezing climates only when proper installation methods are followed.

## NOTES

Since there is shade variation in all products, the glass tile supplied for your particular installation may not match these samples. Final selection should be made from actual glass tiles and not from glass tile samples or color reproductions. Manufactured in accordance with ANSI A137.1 standards.

Morello is suitable for use in wet areas such as shower walls. During the production process a protective coating is added to the surface of aluminum to provide a rust resistant finish. Also, anti-oxidant oil is applied to ensure quality.
